Verse 1

I searched the world but it couldn't fill me
Man's empty praise and treasures that fade are never enough
Then You came along and put me back together
And every desire is now satisfied here in Your love

Verse 2

I'm not afraid to show You my weakness
My failures and flaws Lord You see them all and You still call me friend
Cause the God of mountains is the God of the valleys
There's not a place Your mercy and grace won't find me again

Chorus

Oh there's nothing better than You
There's nothing better than You
Oh there's nothing
Nothing is better than You

Bridge

You turn mourning to dancing
You give beauty for ashes
You turn shame into glory
You're the only One who can
You turn graves into gardens
You turn bones into armies
You turn seas into highways
You're the only One who can
