

Mercy's Tree

<https://www.youtube.com/watch?v=IEtWnF-KR2k>

Verse 1

There's a place for every weary soul
Where all broken lives are mended whole
There my hope betrayed the grip of doubt
Love declared my soul forever found

Verse 2

Come you saint you sinner rich and poor
Come now prince and peasant cry no more
For the Savior knows you all the same
Hear Him calling out to you by name

Verse 3

My Redeemer He has drawn me near
At His feet I lay down every fear
Here I rest on promises divine
Knowing I am His and He is mine

Verse 4

In the end when my time has come
When my life upon this Earth is done
Tell me now oh death where is your sting
You've been conquered by the coming King

Chorus

Lift your eyes to the cross and see
Where my sin died at Calvary
My salvation there was guaranteed
By the blood that flowed from mercy's tree

Bridge

He heard my cry
Knew my pain
Raised me up
To live again
