

My Hope Secure

<https://www.youtube.com/watch?v=-y4HPjWv1x8>

Verse 1

You were despised by Your creation
Rejected by the one You came to save
Oh the power of Your grace
You stood in our place
Once and for all

Verse 2

Like a Lamb led to the slaughter
You became a man of many sorrows
Oh the power of Your love
Poured out for us
One and for all

Verse 3

Then on the third day at break of dawn
Jesus arose our victory won
Now the power of the grave
Has no power over us
Once and for all

Chorus

Once and for all my Jesus died
Once and for all the wrath of God was satisfied
Oh praise the day when love was slain
My hope secure in Jesus' Name

Bridge

All my hope all my hope is in You Jesus You
All my hope all my hope is in You only You
