Verse 1

This is the start of something amazing
A moment when Heaven touches Earth
Here in our hearts Lord we are waiting
For something that's far beyond what we have seen or heard

Verse 2

We're fixing our eyes on glory and fire
Your Name is branded on our hearts
You are the source of all we desire
Nothing can hold us back we're running to where You are

Chorus

Let us start the ascension let's begin the climb
Up this holy mountain where Your glory shines
Further up further in just to be with You again
Let us start the ascension
